NONVIOLENCE AND THE ENVIRONMENT

There is a need for a covenant between human beings and the environment.

(Pope Francis for the World Day of Prayer for the Care of Creation, 1 September 2022)

Join us for a time of reconciliation, petition and celebration.

Conflicts arise from destruction of the environment and disasters are increasing due to climate change and biodiversity loss.

We will be reflecting on the importance of the practice of nonviolence with the seven Laudato Si' Action Platform goals and move to a deeper understanding of what it means to listen to all of our sisters and brothers in creation.
