ATELIER DE FORMATION DES PROMOTEURS JPIC

JPIC Formation Workshop, 28 November - 2 December 2022

Our JPIC Formation Workshop will be an innovative experience in the spirit of *Pacem in Terris* and *Laudato Si'*. This will be an opportunity to reflect on how the vital message of these significant documents is important for us today.

The five-day journey from Monday, November 28, to Friday, December 2, will provide new JPIC Promoters and those continuing in this service with tools needed to vitalize their ministry and animate members of their Congregation.

We will begin with the foundations of the legacy of Christ's peace to the world and elaborate on themes exploring how religious can connect to the needs and concerns challenging us today. The workshop will focus on the integrative values for building peace in caring for the environmental and social concerns of our common home.

During these days we will experience both theoretical and practical aspects that will help JPIC Promoters understand their role. This formation will focus on the methodology of See, Judge, and Act.

Our mission is to transform the world in the spirit of the Gospel through conscious prayer and sacred action, leading lives of justice, peace and care for the integrity of creation (JPIC).

NONVIOLENCE APPROACH TO PEACE BUILDING

“The spirit of the LORD shall rest upon him: a spirit of wisdom and of understanding, A spirit of counsel and of strength, a spirit of knowledge and of fear of the LORD, and his delight shall be the fear of the LORD. Not by appearance shall he judge, nor by hearsay shall he decide, but he shall judge the poor with justice, and decide fairly for the land’s afflicted”. (Is. 11: 2-4)

Hence it is clear that the goodness of the human will depend much more on the eternal law than on human reason.” (PT, 38)
