Pastoral Care of Human Mobility

ONLINE DIPLOMA

Description

The Online Diploma is a **single-cycle programme consisting of six courses**.

All courses are offered in three languages: Italian, Spanish and English. Each course consists of ten virtual lessons, held every fortnight. For all the courses offered, the "reading course" mode is adopted, which involves the delivery of a summary or answer to some questions on the material read. A final examination is scheduled at the end of each course. The Diploma is obtained after passing all the final examinations.

Enrolment

There are several enrolment modes:

Ordinary - is the normal mode of enrolment and provides for the awarding of the Diploma upon successful completion of all courses;

Guest - allows you to follow the courses without carrying out the required tasks and final examinations with a simple certificate of attendance. Exceptionally, it is also possible to attend one or two courses at will, with a certificate of attendance.

When

The courses take place **from October to June**. Enrolment closes in October.
