# **ACCOMPANYING NEW MEMBERS IN THE CONGREGATION**

## **TOOL KIT FOR FORMATORS**

**Speaker: Lynn M. Levo, CSJ, Ph.D.**

Accompanying new members is an opportunity to learn how to foster adult, participative members in an emerging reality - theirs and ours.

In the context of accompaniment, we will explore these areas: fostering trust and belonging - especially psychological safety, the art of listening and questioning and the barriers to intercultural communication and understanding.
